-  Tiny fairy doors (see overleaf)
-  Easier path
-  No public access

Easier path

The pink line is the easiest route if you have a pushchair, difficulty walking or use a mobility device. However, please take care, even on this route.

A message from the fairies

Please don't leave us glitter as it is harmful for nature and wildlife. Explore the garden, but please don't climb the trees or trample the plants.

Beautiful and rare plants

Find out more about our interesting plant collection by picking up our seasonal plants of interest guide in the tea rooms.

Some of the beautiful and rare plants at Furzey Gardens were discovered and brought back from exotic places by the plant hunters of the early 20th century, who risked their lives searching for new specimens across India, China and Tibet. Other plants are more recent additions selected for attractiveness or their unusual story.

Rhododendron racemosum
Rock Rose

Cytisus battandierii
Pineapple broom

Disanthus cerciophyllum

Scan to view plants of interest online.

Metasequoia glyptostroboides
Dawn redwood

Become a member

If you have enjoyed your visit today then become a member and enjoy unlimited visits to Furzey Gardens for a whole year, with suggested donation frozen for 2023 and kids going free. Join today and have your entrance refunded.

Join now at the tea rooms!

Supporting people with learning disabilities

Furzey Gardens relies on charitable donations to provide training and support for people with learning disabilities, as part of local charity Minstead Trust.

We support people to maintain the gardens, serve in the tea rooms and grow the plants we sell.

Help us continue our work by taking out annual membership today.

Find tiny fairy doors

Use the map to search for our tiny fairy doors. There are also more than 30 other small doors to discover.

Please do not scatter glitter, ask staff about our bird food as an alternative.

Post your fairy letters at the Post Office by the exit path to get in touch.
