Animal Sponsorship

Sponsor an animal and help keep our furry friends well looked after

At Minstead Trust we offer the people we support opportunities to take part in 'Animal Care'.

During these sessions they learn the basics of animal care and how to look after the animals, as well as additional skills such as time keeping and animal hygiene. In turn the people we support build their own independence and confidence.

By sponsoring an animal you are supporting the charitable work of Minstead Trust as well as helping to keep our animals well cared for.
